SUREJASE CO.

ABOUT US

Indonesia, historically known as the fabled Spice Islands, is the birthplace of some of the world's most sought-after spices. For centuries, our lands have produced candlenut, nutmeg, cloves, pepper, turmeric, and vanilla that ignited exploration and shaped world history.

Surejase Co. was founded in 2024 with a simple yet profound mission: to share this unparalleled spice heritage with the world. Born in Surabaya-East Java, we are deeply connected to the land and its people.

We are not just exporters; we are custodians of a rich culinary tradition, dedicated to bringing the authentic, potent, and vibrant flavors of Indonesia to global kitchens, restaurants, and food manufacturers.

Our name is synonymous with quality, authenticity, and sustainability.
